Dear Customer:

We have exciting news for you!

NASCA HAS BEEN SELECTED TO SELL THE ENTIRE BANK NOTE HOLDINGS AND FOREIGN COINS OF STANLEY GIBBONS CURRENCY LTD., OF LONDON

Yes, that's correct! Over 35,000 notes and several thousand foreign coins have arrived in our offices.

The selection is unbelievable. The banknotes listed in this brochure are merely the tip of the iceberg.

THEY ARE JUST WHAT WE PULLED FROM THE FIRST OF 102 BOXES THAT WE OPENED.

The scope of this material is so great that we will of course, not be able to offer it in one sale. The sales will begin with our **September sale** of United States material which by now most of you should have received notice of.

Stanley Gibbons — Part II will be our December sale which will immediately precede the Greater New York International Coin Convention and feature world banknotes and foreign coins.

Stanley Gibbons — Part III will be a sale featuring United States **Obsolete** banknotes which will be held in February of 1982.

Stanley Gibbons — Part IV will feature additional world banknotes and will be held in March of 1982.

Stanley Gibbons — Part V will be held in April of 1982 and will feature the balance of the Stanley Gibbons world banknote collection.

THERE IS STILL ADDITIONAL TIME TO CONSIGN YOUR MATERIAL TO ONE OF THESE PRESTIGIOUS SALES.

NASCA stands ready to assist you in the orderly disposition of any numismatic material you might have. We are offering you an opportunity here to include your material in one of the most prestigious offerings of foreign coins and paper money to come along in a long time. Remember, "United States" Coins are "Foreign" Coins to those people living outside the United States. Our order form is on the inside back cover. If you wish to receive the catalogues, and or consign to one of these sales, please fill out the form on the inside back cover, tear it off and return it to us as soon as possible.

If you feel a phone call is in order, please feel free to call.

Kindest regards,

Herbert Melnick
Executive Director
